

RESERVE YOUR SEATS FOR THE YOMIM NORAIM ASAP!

Once again it is time to plan for the Yomim Noraim, and the seating committee is preparing for a complex assignment. As always, we will be having two minyanim, but this year, due to our growing numbers, we will be moving the second minyan to the social hall. Modifications will be made in the social hall to ensure that it is as conducive as possible for davening. **Since the Yomim Noraim fall so early in September it is essential that the seating committee begin its work as soon as possible.** Please respond promptly with your completed form so that numbers can be determined by the deadline, and seating preferences can be accommodated accordingly.

The procedure for making seat reservations for the Yomim Noraim is as follows:

1. All orders and questions are to go through the shul office. Orders are to be delivered to the office or mailed in (PO Box 118, Sharon, MA 02067) by **August 1, 2010**
2. Our seat prices are listed on the order form. Note that the term 'dependent children' indicates those which you claim as dependent on your taxes. We have a family cap rate at \$450, which is the price for two parents and 4 or more dependent children. Children must be over the age of five to be assigned seats under the family cap.
3. *You are considered a member in good standing, and can purchase seats at member prices, if all dues, annual building fund obligations, and fees are paid in full for all prior fiscal years in which membership is held.
4. All orders received after the deadline must include a \$15 late charge per seat. If this is not included, it will be put on your shul bill.
5. We guarantee space to everyone who wants to daven with us, but it is no longer possible to accommodate everyone according to their seating preferences. Seating assignments will be made according to when your completed form is received. Later reservations or incomplete forms may result in seats being separated or not in the location which you prefer.

We try to keep the cost of Yom Tov seats down, and in fact we are very reasonable with our prices. Please remember that this is a major part of the shul operating budget.

The enclosed form is to be used for ordering your Yom Tov seats. Please be sure to **fill in all requested areas completely** as this information is vital to seating everyone comfortably during both Rosh Hashanah and Yom Kippur. **Incomplete forms will not be processed until all requested information is obtained.**
